

**Wakota CAER General Membership
Meeting & Speaker
Tuesday, November 14th, 2017 - 9:30 a.m.
Cottage Grove City Hall
12800 Ravine Parkway
Cottage Grove, MN 55016**

Presentation:

Refining 101 - What are the answers to some of the typical questions heard from the public? What is a refinery, what is in the plume coming from the stacks, what measures promote safety and why are gas prices so high?

Speaker:

Eric Bohnert, Andeavor

Eric currently serves as the Technical Manager for the Andeavor refinery in Saint Paul Park, MN and is responsible for process engineering, controls and the refinery laboratory. He has spent 21 years working in various roles in the chemical process industry. He has a bachelor's degree in Chemical Engineering from the University of Michigan and master's degree in Management of Technology from the University of Minnesota.
